

The Week In Society.

THANKSGIVING.

How oft, O Lord, do we forget to pay
Our tithe of thanks to Thee at
morn and eve:
How oft the thankful word unsaid
we leave
Before Life's laden table, day by
day!

Thy golden gifts we grasp, and go
our way—
So used are we Thy bounty to re-
ceive.
But now, for our ungratefulness
we grieve,
And grace for the whole year are
fain to say.

We thank Thee, Lord, for Thy great
Fatherhood,
That doth with our child-wayward-
ness forbear,

In token of Thy love's infinity.
We thank Thee for the Past, with
all its good,
And for the Present, anchored in
Thy care,
And for the Future, Thou alone
canst see.

—Edith Hope Kinney in Outlook.

Delightful Gypsy Social.

An unique entertainment was the
Gypsy Social given on Tuesday even-

Philathea club of the First Baptist
church. The parlors were attract-
ively decorated with autumn leaves
and branches of trees giving a woods
setting to the scene. Girls costumed
as gypsies and men as hoboes added
to the picturesque effect. Music,
games, fortune telling and various
enjoyable pastimes added to the
pleasure of the evening. Mr. M.
Marinol, of Mexico, who is living in
Paducah, gave several Mexican songs
with fine effect. An enjoyable fea-
ture was a "grab bag" contest, the
bags being from a large gypsy kettle

in sawdust. Light refreshments
were served during the evening.

A very delightful meeting of the
Matinee Musical club was held on
Tuesday afternoon at the regular
club quarters at the Eagles' Home

cleverly discussed by Mrs. Victor
Voris. In the musical programme
Lizst was represented with a vocal
solo by Mrs. Lela Lewis, a piano solo
by Mr. Will Reddick and a piano
duet by Mrs. George B. Hart and
Miss Adah Brazelton. Miss Eda
Bergdoll gave an attractive Weber
selection on the violin.

Delphic Club.

The Delphic program on Tuesday
morning was given entirely to a dis-
cussion of the four cities of Spain
most potent in the life of Christo-

tribute to the great discoverer of

convictions. "Geneva—the Cradle
of Columbus" was delightfully de-
scribed by Mrs. Edmund M. Post.
"Pavia—the Education of Colum-
bus" was given by Mrs. J. C. Utterback.

BRADSTREET'S

New York, Dec. 1.—Bradstreet's weekly trade report follows:

Trade has been active as never before at this time of year. The only cause of complaint, a reflection in itself of superabundant prosperity, is practically the country wide congestion in railway traffic, which affects grain movements, collections and retail trade in the northwest, delays of badly needed coal supplies in entire west, interference with the movement of cotton to market at the south and hampers manufacturing operations in iron and steel, textile, lumber and other trades.

Industry still shows the record activity, iron and steel leading with foreign iron coming in freely and being ordered largely for future delivery. Prices of most products hold all strength heretofore noted and in addition to iron and steel and cotton, raw wool has a firmer tone on good buying and higher markets. Interior markets are reported buying freely of commercial paper but collection in some sections drag, but money as a whole is still very firm with little easing looked for until the first of the year.

The labor situation is a very strong feature, there being additional advances in wages by textile mills iron and steel manufacturers and railroad companies.

Wheat, including flour, exports for the week, 4,205,000 bushels, against 3,707,000 bushels this week of last year. For the past 22 weeks of the fiscal year 78, 795,000 bushels against 48,578,000 bushels in 1905. Corn, exports 1,041,000 bushels against 1,644,000 bushels a year ago; for the fiscal year to date 18,352,000 bushels against 23,477,000 bushels in 1905.
